*The Right Way to Travel<sup>®</sup>*

## Why do I need student medical travel insurance with COVID-19 coverage?

The world has changed, and travel is different now. If you're studying or working abroad, you want to be prepared for safe travel. Liaison® Student Plus can help you, with coverage designed for students, faculty, and scholars who need protection for COVID-19.

This plan includes a benefit specifically for COVID-19 medical expenses. It also includes additional emergency travel assistance services, including an emergency medical evacuation and repatriation benefit that covers the cost of transporting you to an appropriate medical facility if your facility cannot properly care for you.

Even if your visa program or work/study abroad program does not require student medical insurance for COVID-19, it's important to have protection. If you become sick or hurt while away from your home country, your home health insurance may not pay for medical expenses you incur.

Plan ahead with Liaison Student Plus. It follows you when you travel with comprehensive medical coverage, an extensive directory of medical providers, and 24-hour travel assistance.

**Coverage Length** — Your coverage length may vary from 5 days to 364 days and is renewable as long as the primary participant is eligible for the plan.

**Effective Date** — This is the start date of your plan, on the later of the following:

1. 12 a.m. the day after we receive your application and correct payment;
2. The moment you depart your home country; or
3. 12 a.m. on the date you request on your application.

Coverage for a newborn child of a primary participant or plan participant spouse begins from the moment of birth. You must notify Seven Corners within 30 days of the child's birth and pay the plan cost for benefits to extend beyond the 30<sup>th</sup> day.

Coverage for adopted children of a primary participant or plan participant spouse begins from the date of placement in the home for the purpose of adoption or the date of an interim court order for temporary custody, whichever is first.

**Expiration Date** — This is the date coverage for you ends, which is the earliest of the following:

1. The moment you return to your home country (except for coverage through Incidental Trips to Home Country and Extension of Benefits in Home Country);
2. 11:59 p.m. on the date shown on your ID card;
3. 11:59 p.m. on the date that is the end of the period for which you paid; or
4. The moment you or the primary participant are no longer eligible for coverage.

*All times above refer to United States Eastern Time.*

## EXTENDING YOUR COVERAGE

You can extend coverage as long as the primary participant is eligible for the plan. If you initially buy less than 364 days of coverage, you may buy additional time, from a minimum of 5 days to a total of 364 days. We will email you an extension (renewal) notice before your coverage expires, giving you the option to renew your plan. A \$5 administrative fee is charged for each renewal.

When we receive your payment for the extension, we will extend your plan's expiration date. A new coinsurance will apply beginning the 365<sup>th</sup> day of continuous coverage and each additional 365<sup>th</sup> day thereafter.

Your original effective date is used to determine if the lifetime medical maximum amount has been reached and to determine pre-existing conditions.

## Coverage Areas

You can choose from two coverage areas:

- Worldwide including the United States.
- Worldwide excluding the United States.

## Refund of Premium/Cancellation

We will refund your payment if we receive your written request for a refund before your effective date of coverage. ## Important Information Regarding Your Coverage

### Does this plan cover COVID-19?

Yes. See the schedule of benefits and benefit highlights in this brochure for details.

Please be aware this coverage is not a general health insurance plan, but an interim, limited benefit period, travel medical program intended for use while away from your home country.

This brochure is a brief summary of benefits and services. It is not your plan document. If there is any difference between this brochure and your plan document, the provisions of the plan document will prevail. Benefits and premiums are subject to change.

**It is your responsibility to maintain all records regarding travel history, age, and provide necessary documents to Seven Corners to verify your eligibility for coverage.**

## Good Faith Efforts

Seven Corners will make good faith efforts to provide the services and assistance described in this brochure. If Seven Corners is unable to do so due to circumstances beyond its control or due to circumstances that make it unsafe for persons to provide such services and assistance, then Seven Corners will provide the services and assistance to the extent reasonable and possible. If Seven Corners is unable to directly arrange services, expenses incurred by you for services that would otherwise be covered under this plan and that would typically be arranged by Seven Corners may be eligible for reimbursement and should be submitted for consideration. **It is your responsibility to preserve all documentation of related financial transactions you wish to be considered for reimbursement.**

## PPACA DISCLAIMER

**Patient Protection and Affordable Care Act:** THIS IS NOT QUALIFYING HEALTH COVERAGE ("MINIMUM ESSENTIAL COVERAGE") THAT SATISFIES THE HEALTH CARE COVERAGE REQUIREMENT OF THE AFFORDABLE CARE ACT. IF YOU DON'T HAVE MINIMUM ESSENTIAL COVERAGE, YOU MAY OWE AN ADDITIONAL PAYMENT WITH YOUR TAXES.

## J Visa Requirements

If you have a J visa, you need a plan that meets J visa insurance requirements.

Good news! Liaison Student Plus meets J visa requirements if you choose a medical maximum of \$100,000 or more and a deductible that is not greater than \$500.

## Filing a Claim

For a claim to be payable, it must meet the terms and conditions in the Liaison Student Plus plan document. In addition, you must submit a completed claim form to us within 90 days of the date of service.

### Claims are paid two ways:

1. We pay your provider if they did not require you to pay up front. To do this, we need an itemized bill from the provider along with a claim form completed by you.
2. We reimburse you if you paid medical expenses up front. To do this, we need an itemized bill (showing you paid the expenses) along with a claim form completed by you.

**Important: If you are traveling in the U.S. and visit a provider in network, please do not pay for services up front and instead allow the provider to bill Seven Corners. Your ID card will provide information about the PPO network in the United States.**

Visit [sevendcorners.com/claims](https://sevendcorners.com/claims) to find forms and instructions on filing a claim.

## Excess Insurance

All coverages except Accidental Death & Dismemberment are in excess of other insurance or similar benefit programs and apply only when such benefits are exhausted. Such other insurance or similar benefit programs may include, but are not limited to, membership benefits; workers' compensation benefits/programs; government programs; group or blanket coverage; prepayment coverage; union, labor, or employee plans; socialized insurance programs or program otherwise required by law or statute; automobile insurance; or third-party liability insurance.

3. Diagnostic procedures including MRI, MRA, CT, and PET scans;
4. Chemotherapy;

1. Contact Seven Corners Assist before the expense is incurred;
2. Comply with Seven Corners Assist's instructions;
3. Notify all medical providers of the pre-certification requirements and ask them to cooperate with Seven Corners Assist.

Once we pre-certify your services, we will review them to determine if they are covered by the plan.

**If you do not comply with the pre-certification requirements or if the services are not pre-certified, we will review the expenses to determine if they are covered by the plan. If covered:**

1. Eligible medical expenses will be reduced by 25%; and

**Lifetime Medical Maximum** — This is the amount payable per insured person for the total length of time you have coverage, including all extensions of coverage that you buy. It is the overall limit for all disablements (injuries and illnesses).

**Medical Maximum Options** — You select the dollar amount for this limit. It is the limit for each injury or illness (disablement) that occurs during your period of coverage. Benefits are paid up to the medical maximum after you pay your deductible, copays and coinsurance. *The initial treatment of an injury or illness must occur within 30 days of the date of injury or onset of illness.*

**COVID-19 Medical Treatment** — The plan covers medically necessary treatment for:

- COVID-19 (the disease);
- SARS-Cov-2 (the virus); and
- Any mutation or variation of SARS-CoV-2.

Travel assistance services, including Emergency Medical Evacuation and Repatriation, Emergency Medical Reunion, Return of Children, Return of Mortal Remains, and Local Burial or Cremation can apply if you contract COVID-19 while covered by this plan. *See the schedule of benefits for dollar limits that apply to those services.*

**Deductible** — Your deductible is applied per injury or illness (disablement).

**Copay** — This is a stated amount you pay for a service in addition to your deductible.

**Disablement** — This is an illness or injury and includes all bodily disorders due to the same or related causes.

**Extension of Benefits to Home Country** — This can cover expenses incurred in your home country (including those following an emergency medical evacuation or repatriation), for conditions first diagnosed and treated outside your home country if you seek treatment within your benefit period. You receive approximately five days of coverage for each month of coverage purchased, up to 60 days per 364 days of coverage. *There is no coverage for pre-existing conditions, and there is no coverage if the illness or injury began while you were in your home country.*

**Incidental Trips to Home Country** — This can cover an illness or injury that occurs on an incidental trip to your home country. You receive approximately five days of coverage for each month of coverage purchased, up to 60 days per 364 days of coverage. *There is no coverage 1) If the illness or injury occurred while you were outside your home country or 2) For pre-existing conditions. Coverage is available if your period of coverage is greater than 30 days.*

**Maternity** — This benefit applies for the primary participant or plan participant spouse only. Pregnancies are not covered unless conception occurs at least 180 days after the effective date of coverage. Also, there is a 25% reduction in benefits if you do not notify Seven Corners within 90 days of the pregnancy.

**Emergency Medical Reunion\*\*** — If your physician recommends it, we will pay and arrange for one person of your choice to travel to the hospital where you are located when an emergency medical evacuation is occurring or has occurred or when an emergency medical repatriation is to occur. *This benefit applies regardless of whether your hospitalization is related to a pre-existing condition.*

**Return of Child(ren)\*\*** — If you are traveling alone with children and are hospitalized because of a covered illness or injury, we will arrange and pay for: 1) One-way economy airfare to return the children to their home country and 2) Attendant/escort services to ensure the children's safety. *This benefit applies regardless of whether your hospitalization is related to a preexisting condition.*

# Pre-existing Conditions

## What is a pre-existing condition?

It is any medical condition, sickness, injury, illness, disease, mental illness or mental or nervous disorder, including congenital, chronic, subsequent, or recurring complications or related consequences or resulting consequences that existed with reasonable medical certainty when you bought the plan or any time in the 36 months before your coverage on this plan began, whether or not previously manifested, symptomatic, known, diagnosed, treated, or disclosed.

This includes, but is not limited to, any medical condition, sickness, injury, illness, disease, mental illness, or mental or nervous disorder for which medical advice, diagnosis, care, or treatment was recommended or received or for which a reasonably prudent person would have sought treatment during the 36 months immediately preceding the start date of the plan.

## How do we cover pre-existing conditions?

Many travel insurance plans do not cover pre-existing conditions.

- Liaison Student Plus covers them through two benefits: Acute Onset of Pre-existing Conditions and Waiver of Pre-existing Conditions.

## ACUTE ONSET OF PRE-EXISTING CONDITIONS

### What is an acute onset of a pre-existing condition?

It is a sudden and unexpected outbreak or recurrence of a pre-existing condition:

- That occurs spontaneously and without advanced warning either in the form of physician recommendations or symptoms and requires urgent care;
- That occurs during your initial 364 days of coverage; and
- For which treatment is obtained within 24 hours of the sudden and unexpected outbreak or recurrence.

### A pre-existing condition is not an acute onset of a pre-existing condition if:

1. The condition is chronic, congenital, or gradually becomes worse over time; or
2. If, during the 30 days prior to the acute event, you had a change in prescription or treatment for a diagnosis related to the underlying pre-existing condition.

### Coverage ends on the earlier of:

1. The condition no longer being acute; or
2. Your discharge from the hospital.

There is no coverage for known, scheduled, required, or expected medical care, drugs, or treatments existent or necessary prior to departure from your home country and before your coverage begins.

There is no coverage for treatment for which you have traveled or conditions for which travel was undertaken after your physician limited or restricted travel.
